\*\*\*\*\***CODE OF CONDUCT**\*\*\*\*\*

The NorthEast Youth Sheep Show has become, over the last 25 years, a very successful and large event. In order to ensure the quality of this event, the education of the youth and their families and promote sheep and agriculture to the general public, the show's sponsors are endorsing the National Show Ring Code of Ethics. It is each family's responsibility to read this Code and follow these guidelines. The Rule Enforcement Committee will review any complaints or actions deemed to violate these ethics. **THE RULE ENFORCEMENT COMMITTEE WILL ONLY RECOGNIZE A COMPLAINT WHICH IS WRITTEN AND SIGNED AND BROUGHT FORTH BY A YOUTH SHOW EXHIBITOR OR A YOUTH SHOW COMMITTEE MEMBER.** It is very important to the show management that youths conduct themselves with respect for themselves, their animals and the people around them. Any action that violates these ethics will be grounds for disqualification from the show and possible immediate dismissal from the show grounds:

- a) Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives or show officials, before, during or after the competitive event is prohibited. In the furtherance of their official duty, all judges, fair and livestock show management, or other show officials shall be treated with courtesy, cooperation and respect, and no person shall direct abusive or threatening conduct toward them.
- b) No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this Code of Conduct or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this Code of Conduct. Violation of this Rule shall subject such individual to disciplinary action.

\*\*\*\*\***MASSACHUSETTS ANIMAL HEALTH REGULATIONS**\*\*\*\*\*

**2009 Fairs Animal Health Rules**

NO animal will be admitted to the fairgrounds unless it meets the requirements below. NO animal is to be unloaded or enter a barn or tie-out stall until the animal and its paperwork have been inspected and approved for entry.

**A. General Rules for All Animals**

1. All animals must be in proper physical condition, be properly identified and free of visual evidence of infectious, contagious or parasitic disease at time of arrival. Specific diseases and conditions which will disqualify an animal for entry are identified for each species in the following sections of the rules. Animals of any species with open or draining wounds will not be approved for entry.
2. Evidence of infectious, contagious or parasitic disease or failure to produce the necessary documents for health certification, vaccination or testing will result in the animal's rejection for entry. **THE INSPECTOR'S DECISION IS FINAL.**
3. **REMINDER: ALL** sheep and goats of any age or sex brought to show or exhibition from either out of state or within state must possess a USDA approved individual identification tag, tattoo, or electronic implant consistent with the requirements of the Federal Scrapie Eradication Program and the Massachusetts Emergency Order 1-AHO-06. Information on approved tags, tattoos and electronic implants is available from the USDA APHIS office in Sutton, MA at 508-363-2290.
4. All livestock must have proper ID. For animals identified by microchip, readers must be available to the Inspectors.
5. **SEE INDIVIDUAL REQUIREMENTS FOR EACH SPECIES LISTED BELOW.**

**B. Out of State Animals**

1. All animals entering a Massachusetts fairground from out of state must be accompanied by a valid health certificate signed by an accredited veterinarian certifying that the animals are clinically free of infectious or contagious disease and exposure from such disease. Documents of health certification must be written on relevant state or federal health forms only. These certificates must be available upon request to fair inspectors.
2. Health certificates must be dated January 1, 2009 or later. These documents will be acceptable for the entire fair season in Massachusetts. TB and Brucellosis testing is not required for animals from TB-Accredited and Brucellosis-Free States. Current brucellosis and TB status in the exhibitor's state can be obtained from the state veterinarian's office in each state. If the exhibitor's state is not TB-Accredited or Brucellosis-Free, then the exhibitor must call the Massachusetts Bureau of Animal Health for entry requirements (617-626-1795).

**Sheep**

1. Sheep entering a Massachusetts fairground must have a valid health certificate signed by an accredited veterinarian certifying that the animals are clinically free of infectious or contagious disease and exposure from such disease. Documents of health certification for out of state animals must be written on relevant state or federal health forms only. In-state animals may be accompanied by a certificate of examination on a veterinarian's letterhead stationery which clearly identifies the contact information for the veterinarian signing the certification. Certificates written on plain paper are not acceptable. These certificates must be available upon request to fair inspectors. Health certificates must be dated January 1, 2009 or later. These documents will be acceptable for the entire fair season.
2. No sheep will be allowed entry from flocks in which Scrapie has been diagnosed or in which animals are under surveillance for Scrapie during the previous eighteen months. Based on the Federal Scrapie Eradication Program (FSEP) and the Massachusetts Emergency Order 1-AHO-06, sheep of any age or sex brought to show or exhibition from either out of state or within the state must possess a USDA approved individual identification tag, tattoo, or electronic implant consistent with requirements of the FSEP. Information on approved tags, tattoos, and electronic implants is available from the USDA APHIS office in Sutton, MA at 508-363-2290.
3. No sheep will be permitted entry from flocks in which Soremouth has existed or in which Soremouth Vaccine has been administered in the previous sixty days.
4. Sheep must be free from visual evidence of foot rot, sore mouth, pink eye, ringworm, and open and draining wounds.
5. While not required, it is strongly recommended that sheep be currently vaccinated against rabies.

This fun and informal event is held Thursday, July 16, 2009 at 6:00 PM in Mallary North. This event will have three divisions: Novice: 9 years old and under as of January 1, 2009; Junior: 10 thru 14 years old as of January 1, 2009; and Senior: 15-21 yrs as of January 1, 2009. The team with the most points at the end of the rounds will be the winner. Electronic buzzer boxes will be used. Prizes will be awarded to the top team in each division. All participants will be invited to stay and have dessert at the end of the competition. Teams consist of 4 members and may be formed many different ways (by 4-H club, State, breed, etc). Youths do not have to be exhibiting sheep to participate. An adult does need to assume the "coach" role to help facilitate this event. Coaches must be present at this event and may be 4-H leaders, parents, or other interested adults. The coach will be the contact to help keep things running smoothly and to be sure that their team participates appropriately. Teams must pre-register at entry deadline (7/10/09) time to reserve a spot to play. Walk-in teams will be taken as space allows. Members of the team may be determined at the show, but the team members' names must be submitted when the team checks in on Thursday. **A team representative must check in by 4PM with the Event Coordinator.**

Posters should be eye catching and informational, and also should be ready to be put on display. The top three entries of the four classes will receive prize money and winner of each class will compete for an overall champion award. \*\*\*\*\***FIBER NOOK VOLUNTEERS NEEDED**\*\*\*\*\*

I would like the opportunity to not only introduce myself but also the "FIBER NOOK" at Eastern States Exposition. My name is Cheryl Marchand and I am the Superintendent of the Fiber Nook. The Nook is a building within the Mallary Complex which displays the exhibit of the Fiber Products Competition at The Big E, houses educational exhibits such as demonstrations featuring spinning, weaving, felting, etc., and displays the fleeces entered in competition. Our primary goal is the promotion of sheep, wool and camelid fibers.

Eastern States Exposition has allowed New England Sheep and Wool Growers Association to sell items in the Fiber Nook. New England Sheep and Wool Growers Association provides capital to purchase items for resale and the proceeds are used to help support the NorthEast Youth Sheep Show held each year in July. Many of you may be unaware that this is one of the major fund-raising activities for the Youth Show, the others being the Youth Show Food Booth and donated items in the New England Sale Equipment Auction. I am looking for donated items that could be sold in our fund-raising effort. Our primary goal is the promotion of sheep and wool, and items could be anything that would fit those categories. We could use hats, mittens, scarves, roving, wool yarn, kits, or gift baskets just to name a few. They can be knitted, crocheted, woven, etc., and do not have to be made by the individual donating the item.

In past years, several volunteers staffed the Nook, but for the last three to four years only one or two people have staffed it for the entire seventeen days of The Big E. The Fiber Nook is open from 9AM to 9PM from September 18 – October 4, 2009. **One or two people can no longer be the sole staff of the Fiber Nook.** I am looking to staff two-four hour shifts per day (9AM – 1PM & 1PM – 5PM) with two or three volunteers per shift. Eastern States Exposition will donate two gate passes and one car pass for each volunteer. Volunteers can bring along a friend or family member to enjoy The Big E. I am calling on members of New England Sheep and Wool Growers, parents of Youth Show exhibitors, older Youth Show exhibitors, Breed Representatives and any interested individuals for help in not only volunteering time, but also in donating items.

A sign up sheet will be available at the Youth Show Food Booth and donated items can be turned in at that time. **It is critical that I get staffing or we may not be able to continue with this fund-raising effort for the NorthEast Youth Sheep Show in the future.** Please consider volunteering either by donating an item or your time for a shift or possibly two. A form is included in this letter if you wish to volunteer or donate so I can contact you closer to The Big E. If you have any questions or concerns I can be reached at (941) 488-5085.

Thank you,

Cheryl Marchand, Fiber Nook Superintendent
