S: SCF 883 Old School X7609

8030 hit a home run when we flushed her. We ended up with 16 eggs so we decided to sell one. Dam was 2nd place Early Yearling Ewe in the Open Show 2009 NAILE. With her genetics, she deserves a look.

A fancy well patterned ewe lamb with a great top line, hip and legs. Dam has given us twins 3 years in a row and they all have grown to be big, bold and productive ewes. A great addition to your show or breeding line-up.
