**Objectives of
New England Sheep & Wool Growers
Association:**

- A)** To meet and discuss mutual problems or sheep husbandry, exchange ideas, disseminate information and formulate plans with the intent of aiding the sheep industry.
- B)** To cooperate with Federal, State, County and local New England and Eastern New York areas.
- C)** To encourage and assist in the organization of youth sheep clubs.
- D)** To conduct sheep sales and wool pool (s) at the discretion of the board of directors.
- E)** To assist the sheep industry in setting up a marketing program for lambs and wool. To promote lamb quality by supporting carcass shows and marketing seminars.
- F)** To improve the communications between and among the various sheep organizations located in New England and Eastern New York areas.
- G)** To promote, encourage, and assist in the youth activities sponsored by the Northeast organizations, such as Junior shows, Judging activities, and educational activities.
- H)** To disseminate information and material aimed at the keeping and management of sheep.
- I)** To cooperate with farm organizations and agricultural business groups to keep them aware of the needs of the sheep industry.
